students from Aberystwyth, Ely, Fairwater and Fleur de Lys travelled to the K2 arena

at Crawley to compete in the English Open.

Last year Fairwater and Ely schools finished first and second so there was a very good reputation to maintain.

The Welsh combined total this year was 13 gold, 10 silver and eight bronze medals.

The overall award for under-13 colour belt went to

Ethan Davis of Ely.

This left the Davis family taking home five gold and one silver medal as his brother Ryan also picked up two golds.
